Photography Exhibition – *Gratitude and Joy*
December 7, 2018 – January 25, 2019

Juried by Sharon Lee Hart
Head of Photography and Assistant Professor of Art at Florida Atlantic University

The mission of the Bailey Contemporary Arts (BaCA) is to cultivate, incubate and nurture a vibrant visual arts community that enriches Pompano Beach and its goal of being a nexus of art, creativity, diversity and inspiration. Housing a dozen art studios, featuring large galleries and an open social area for artistic dialogue, BaCA offers artists and visitors the opportunity to participate in multiple public programs scheduled throughout the year, such as classes, lectures, exhibitions, tours and open studios.

As we approach the holiday season, we want to invite our community to reflect on the meaning of Gratitude and Joy. Some people view “joyful” as moments during times of success and career satisfaction, others as quality time spent with family. Share with us your photographic images on this topic for a chance to participate in an exhibition at Bailey Contemporary Arts – West Gallery.
